

Ba Hospital Public Information

Aspen Medical is delighted to announce that the new Ba Hospital at Clopcott Street will commence operations from this Saturday 9 April 2022.

All current services that were available at the Ba Mission Hospital will be provided by Health Care (Fiji) Pte Ltd trading as Aspen Medical, at the new hospital.

Medical services at the new Ba Hospital will be rolled out by Aspen Medical in stages with the following services available with effect from Saturday 09 April 2022 at 8am:

- Accident and Emergencies
 - General Outpatient
 - Maternity
- Medical inpatients – adults and children
- Support services – x-ray, pharmacy, pathology

All medical services previously available at Ba Mission Hospital will become available at the new Ba Hospital.
